SUMMARY

A Minor TIP amendment has been recommended for Policy Board action by the Technical Advisory Committee per Section A(2) of the latest Memorandum of Understanding between the South Jersey Transportation Planning Organization, New Jersey Department of Transportation and New Jersey Transit Corporation.

PROPOSAL

The following Transportation Improvement Program (TIP) Amendment is being recommended for Policy Board approval as follows:

PROJECT

DB# S1701 – Broadway/Seashore Road (CR626), Sunset Boulevard/West Perry Street to Route 9 in the Borough of West Cape May and Lower Township. The project is seeking construction funding in FY 2017 in the amount of \$1.33 million.

BACKGROUND

Cape May County has requested this amendment because this roadway is in poor condition and in need of repair, supported by pavement management system assessment completed in 2012. The shoulders of Seashore Road from Stimpson Lane to Jonathan Hoffman are marked and signed as bike lanes and will continue to be after this improvement project. The construction will be funded with Federal Repurposing Funds in the amount of \$1.33 million.

The addition of this project to the current TIP will not have a negative impact on the air quality in the region.

This project is being funded with Federal Repurposing funds thus maintaining fiscal constraint.

This Minor TIP amendment is being recommended for Policy Board action on:
