No special consideration will be given after proposals are opened because of a proposer's failure to be knowledgeable as to all of the requirements of this RFP. The SJTA assumes no responsibility and bears no liability for cost incurred by a proposer in the preparation and submittal of a proposal in response to this RFP.

The SJTA reserves the right to make the determination concerning such assertion, and will advise the proposer accordingly. Failure of the proposer to adhere to and/or honor any or all of the obligations of the proposal may result in immediate cancellation of the award of the contract by the SJTA.

Such records shall be made available to the New Jersey Office of the State Comptroller upon request.

NOTICE OF NEW ELECTRONIC BIDDING PROCESS

Registration for Electronic Bidding In an effort to make the bid solicitation process more efficient and cost effective for both vendors and the Authority, the Purchasing Department has adopted an electronic bidding process for most public bids. Electronic bids shall be submitted at the bidexpress.com website as the method of bid submission. It is strongly recommended that vendors become familiar with the electronic process as soon as possible to prepare for the Authority's decision to accept only electronic bids. All electronic bidders must first register on bidexpress.com and create an Info Tech digital identification ("Digital ID") at no cost to the vendor. The Digital ID is used to sign bids and serves important functions including: a) assuring the Authority, that the digital signature is from the entity submitting the bid (forgery deterrence); b) ensuring that no one can alter a bid (non-falsification); c) preventing the information in a bid from disclosure to unauthorized parties (confidentiality); and d) safeguarding that even authorized parties cannot access the bid prior to the public bid opening (sealing). Since it can take up to five (5) business days to process your Digital ID, it is highly recommended that a Digital ID be enabled at least 48 hours in advance of submitting an electronic bid. Please plan accordingly. In lieu of paying the traditional paper bidding costs (overnight delivery costs), Bid Express charges a fee of \$25.00 to those who wish to bid electronically on a pay-per solicitation basis. Alternatively, you may subscribe for \$50.00 per month for unlimited electronic bid submission to all entities that (nationally) post solicitations on the bidexpress.com website plus get email notifications by agency/work type/commodity code. Furthermore, for bidders who are bidding online and wish to utilize the electronic bid bond option, please see the FAQs page regarding electronic bid bonds at <https://bidexpress.com>. For additional guidance on the electronic process, please contact the Bid Express team toll free at (888) 352-2439 (select option 1).

All proposals will be reviewed to determine responsiveness. The SJTA or SJTPO, in accordance with law, may reject non-responsive proposals without evaluation, but may waive minor non-compliance. An Evaluation Committee will evaluate responsive proposals. The following evaluation criteria categories, separate or combined in some manner, and not necessarily listed in order of significance, will be used to evaluate and rank proposals received in response to this RFP:

- Knowledge and experience of attorneys in the practice area;
- Experience of the firm in the practice area;
- Resources of the firm;
- Approach to communication with the SJTPO; and
- Past experience of the SJTPO and/or other authorities/agencies with the firm and/or attorneys.

Proposals will be ranked based on technical merit.

7.0 OUTSIDE COUNSEL DESIGNATIONS

Firm(s) selected pursuant to this RFP will be the subject of a "general counsel" and/or "special counsel" designation. Firm(s) will be retained for a particular matter based on their designation to be determined based upon:

- Magnitude or complexity of the matter;
- The firm and/or attorney's past success in handling similar matters;
- Whether the experience and knowledge of the firm and attorney coincide with the type of legal work to be performed;
- The firm's capacity to staff and perform the required work; and

- Any current adversarial position or conflict of interest between the firm/attorney and the SJTPO.

If a particular matter requires expertise in practice areas outside those encompassed by existing lists, a separate RFP will be advertised for that retention, if time permits. If the matter requires confidentiality or if time does not permit the issuance of an RFP, the SJTPO reserves the right to engage separate counsel for such matter.

8.0 EVALUATIONS

At the conclusion of each matter handled by a firm, but in no event less frequently than annually, the SJTPO or its designee shall evaluate the firm's performance. The evaluation will focus on responsiveness; quality of work; adequacy and appropriate utilization of resources; adherence to invoice submittal standards; and cost effectiveness. The SJTPO or designee will advise each firm of any problem areas. If, as result of one or more evaluations, the SJTPO determines, in its sole discretion, that a firm should be removed from the list of designated counsel, the firm may be removed from the list after written notice is provided to the firm. Other than this written notice, nothing in this RFP creates any rights, entitlements, privileges, or presumptions in favor of a law firm that would constrain the SJTPO's authority to remove a firm from the list of designated counsel.

9.0 CONTRACT AWARD

The final award will be based on consideration of all information provided as part of the proposal as well as any additional information gathered during the evaluation period or which may be requested prior to the award.

Upon recommendation of award, the Authority must seek approval of its governing board at a scheduled board meeting. The Authority will follow its own pre-set approval process utilizing a Consultant Selection Committee comprised of SJTA and SJTPO employees from various departments. A resolution must be passed by the respective Boards of the SJTPO and SJTA that is subject to the Governor's veto period. Upon expiration of the veto period, the Authority can then award a contract to the successful proposer(s).

Dear Business Representative:

Recently enacted State law (Public Law 2001, c.134) requires all contractors and subcontractors with State, county and municipal agencies to provide proof of their registration with the Department of the Treasury, Division of Revenue. The law became effective September 1, 2001.

Our records indicate that you are currently registered with the Division of Revenue, and accordingly, we have attached a Proof of Registration Certificate for your use. If you are currently under contract or entering into a contract with a State, county or local agency, you must provide a copy of the certificate to the contracting agency.

Please note that the law sets forth penalties for non-compliance with the provisions above. See N.J.S.A. 54:52-20.

Finally, please note that the new law amended Section 92 of the Casino Control Act, which deals with the casino service industry.

Should you have any questions or require more information about the attached certificate, or are involved with the casino service industry, call (609) 292-1730.

Thank you in advance for your consideration and cooperation.

Sincerely,

Patricia A. Chiacchio

NOTICE TO ALL BIDDERS
SET-OFF FOR STATE TAX

Please be advised that, pursuant to L. 1995, c. 159, effective January 1, 1996 and codified at N.J.S.A. 59:49-19 and N.J.S.A. 59:49-20, and notwithstanding any provision of the law to the contrary, whenever any taxpayer, partnership or S corporation under contract to provide goods or services or construction projects to the State of New Jersey or its agencies or instrumentalities, including the legislative and judicial branches of State government, is entitled to payment for those goods and services or construction projects, at the same time a taxpayer, partner or shareholder of that entity is indebted for any State tax, the Director of the Division of Taxation shall seek to set off that taxpayer's, partner's or shareholder's share of the payment of that indebtedness. The amount set off shall not allow for the deduction of any expenses or other deductions which might be attributable to the taxpayer, partner or shareholder subject to set-off.

The Division of Taxation may initiate procedures to set off the tax debt of a specific vendor upon the expiration of ninety (90) days after either the issuance by the Division of a notice and demand for payment of any state tax owed by the taxpayer or the issuance by the Division of a final determination on any protest filed by the taxpayer against an assessment or final audit determination. A set-off reduces the contract payment due to a vendor by the amount of that vendors state tax indebtedness or, in the case of a vendor-partnership or vendor-S corporation, by the amount of state tax indebtedness of any member-partner or shareholder of the partnership or S corporation, respectively. N.J .A.C. 18:2-8.3.

The Director of the Division of Taxation shall give notice of the set-off to the taxpayer, partner or shareholder and shall provide an opportunity for a hearing within thirty (30) days of such notice under the procedures for protests established under N.J.S.A. 54:49-18. No requests for conference, protest or subsequent appeal to the Tax Court from any protest permitted under N.J.S.A. 59:49-19 shall stay the collection of the indebtedness. Interest that may be payable by the State to the taxpayer, pursuant to L.1987, c. 184 (N.J.S.A. 52:32-35) shall be stayed.

PROCUREMENT CODE OF ETHICS FOR VENDORS

The South Jersey Transportation Authority considers the maintenance of public trust and confidence essential to its proper functioning, and accordingly has adopted this vendors' Code of Ethics. Vendors who do business with the SJTA must avoid all situations where propriety or financial interests, or the opportunity for financial gain, could lead to favored treatment for any organization or individual. Vendors must also avoid circumstances and conduct which may not constitute actual wrongdoing, or a conflict of interest, but might nevertheless appear questionable to the general public, thus compromising the integrity of the Authority.

This code is based upon the principles established in Executive Order 189 and laws governing the State Ethics Commission. N.J.S.A. 52:13D et seq., which, while not strictly applicable to contractors, provides general guidance in this area. Also, this code has been established pursuant to the authority embodied in N.J.S.A. 27:25A et seq., and for good cause.

This Code of Ethics shall be made part of each Request for Proposal (RFP) promulgated by the SJTA and be attached to every contract and agreement to which the SJTA is a party. It shall be distributed to all parties who presently do business with the Authority and, to the extent feasible, to all those parties anticipated doing business with the Authority.

1. No vendor* shall employ any SJTA officer or employee in the business of the vendor or professional activity in which the vendor is involved with the Authority officer or employee.
2. No vendor shall offer or provide any interest, financial or otherwise, direct or indirect, in the business of the vendor or professional activity in which the vendor is involved with the Authority officer or employee.
3. No vendor shall cause or influence, or attempt to cause or influence any SJTA officer or employee in his or her official capacity in any manner which might tend to impair the objectivity or independence of judgment of the SJTA official or employee.
4. No vendor shall cause or influence, or attempt to cause or influence any SJTA officer or employee to use or attempt to use his or her official position to secure any unwarranted privileges or advantages for that vendor or for any other person.
5. No vendor shall offer any SJTA officer or employee any gifts or favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the recipient in the discharge of his or her official duties. In addition, officers or employees of the SJTA will not be permitted to accept breakfasts, lunches, dinners, alcoholic beverages, tickets to entertainment and/or sporting events or any other item which could be construed having more than nominal value.

NOTE: This section would permit an SJTA officer or employee to accept food or refreshment of relatively low monetary value provided during the course of a meeting, conference or other occasion where the employee is proper in attendance (for example – coffee, Danish, tea, or soda served during conference break).

Acceptance of unsolicited advertising or promotional material of nominal value (such as inexpensive pens, pencils, or calendars) would be permitted.

Any questions as to what is or is not acceptable or what constitutes proper conduct for an Authority officer or employee should be referred to the Authority's Ethics Liaison Officer or his or her designee.

6. This code is intended to augment, not to replace, existing administrative orders and the current SJTA Code of Ethics.

*Vendor is defined as any general contractor, subcontractor, consultant, person, firm, corporation or organization engaging in, or seeking to do business with the SJTA.

I certify that I have read and understand the aforementioned "Vendor Code of Ethics of the South Jersey Transportation Authority".

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Chapter 51 Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first use NJSTART (<https://www.njstart.gov/bso/>) to check the status of a vendor’s Chapter 51 certification before contacting the Review Unit’s mailbox at CD134@treas.nj.gov. If the State Agency does not find any Chapter 51 Certification information in NJSTART and/or the vendor is not registered in NJSTART, then the State Agency should send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

Part 3: CERTIFICATION
